Тексты для аудирования

Сейчас Вы будете выполнять задания по аудированию. Тексты прозвучат два раза. После каждого прослушивания текстов у Вас будет время для выполнения и проверки заданий. Все паузы включены в аудиозапись. Остановка и повторное воспроизведение аудиозаписи не предусмотрены.

Задания 1–4

Вы услышите четыре коротких текста, обозначенных буквами A, B, C, D. В заданиях 1–4 запишите в поле ответа цифру 1, 2 или 3, соответствующую выбранному Вами варианту ответа. Вы услышите запись дважды. У Вас есть 30 секунд, чтобы ознакомиться с заданиями.

Now we are ready to start.

Dialogue A

A: Did you come here to read?

B: Why not, it's very relaxing. Don't you think so?

A: You'll get burned and I'll get bored! Let's have a quick swim.

B: Later, let me read up to the end of the chapter and you can bring us a couple of cones of ice cream, if you feel bored, strawberry ice cream for me.

A: Okay, would you like some lemonade too?

B: No, thanks, I've got some water in the bag.

Dialogue B

A: Are you sure it's just what we need?

B: No, I'm not. In fact, I don't know whether Christy likes fantasy books or not, but I don't have any other idea of a present.

A: Neither have I. Okay, let's take it. It looks nice and it's well illustrated.

B: Where can we pay?

A: The cash desk is over there. Wait a minute, I'll take this one for myself, just for easy reading on the bus when I go to the swimming pool. It's a thirty minute ride and I get bored.

B: Okay, take it and let's go. I'm not going to spend the whole day here.

Dialogue C

A: Are you busy?

B: No, not really, I'm just reading for my literature exam. Why?

A: How about some tea with biscuits? It's already served.

B: Super! Can I have some marmalade with my tea too?
A: It looks like we've run out of it, sorry. I'll buy some tomorrow on my way to the office.
B: Oh, never mind, it's OK, I'll just make a few notes and will be with you in a minute.

Dialogue D

A: How long will it take us to get to the beach?
B: Oh, we've already passed the city centre and now we are turning into the main road. Something around thirty or forty minutes.
A: So long! Have you got anything to read?
B: There must be something in the bag. I usually have a book or a magazine or at least some comics when I'm on a long trip. Here you are.
A: Thanks! Oh, it looks interesting, and you track the road, not to miss our stop.
B: Don't worry, it's the last stop, we can't miss it anyway.

Now we are ready to start.

Presenter: Good afternoon. Today we have asked 5 teenagers to give us a short interview and tell us what they think about spending summer holidays. Now we would like to present their opinions to you.

Speaker A

Summer holidays! This sounds so magical and promising! Every spring at the end of school I think how much fun I can have in the summer: the books I can read; films I can watch; places I can visit. I create to-do lists! I make fantastic plans. Then the summer comes, and it seems that it will last forever! And I get distracted doing unimportant little things. And lo and behold - the summer is gone, and I haven't achieved anything.

Speaker B

At the end of the school year everyone is tired and just wants to relax. I'm not an exception. The first three weeks I do silly fun things. But then I usually go to Summer Arts School. It's my favourite place ever! Children who play musical instruments, who draw and paint, who write poems and stories – they all come from all over the country. The teachers are brilliant. I learn so many new things and make such wonderful friends there!

Speaker C

Summer holidays are nice when you can do fun things. My parents, however, usually send me to my grandparents who live in the middle of Texas. They own a big ranch with long-horn cows – the symbol of Texas. They also have horses. It would probably be a dream come true for anyone who likes these animals. Personally, I don't find them interesting. But I stay there, help my grandparents and miss my dear friends back home.

Speaker D

Who says summer holidays should be relaxing? I think summer holidays are my best chance for making money. I always try to find several well-paying jobs. I love working outside. So, I usually work as a landscape designer. I take care of all the plants that people have in their yards. I also walk 7 dogs in my neighbourhood. This keeps me very busy and terribly tired. But I love making money!

Speaker E

Last summer my parents' dream came true. For a long time they had been saving money for us to go on the Mississippi River Cruise on a ship that stops at all the places connected with U.S. history and writers like Faulkner or Mark Twain. I'm not a big fan of history or classical literature, but I totally enjoyed lying on the sun deck of the ship enjoying nice weather and reading the books I like. It was the best vacation ever!

Now we are ready to start.

- Hi, I'm Kevin. Can I sit here?

-Yeah, sure.

-And what's your name?

-Kate.

-Is it your first visit to Paris?

-Yes. I'm from Canada. And it's my first visit to Europe or anywhere else. I've never been abroad before and everything seems very exciting. And where are you from?

-From Liverpool. My family has lived in that part of England for ages. And we didn't travel anywhere either.

- My parentss are completely diffrent. They travel a lot because of their job, but they never take me with them.

- I see.

- But this time we are travelling all together as a family. Today we ganna have a guide excurtion to the historical part of Paris. Are you here on your own?

- No, this is a school trip. Our whole class is here. And two teachers to supervise us.
- Aaaah, it must be interesting to travel in a large group.
- Yeah, we were awarded this trip when we won the city competition.
- Was it the sports competition?
- No, it was a competition for school rock bands.
- You are a musician?
- Sort of... In our band I play the drums.
- Do you see music as your career? Everyone nowadays wants to be a celebrity or a computer genius.
- Not in my case. Music is just for fun. I'm deeply interested in physics and biology. I think that absolutely fantastic discoveries are awaiting us on this field. They can completely change our idea of the universe and of ourselves.
- So... you wanna do a scientific research?
- Exactly.
- But that means getting a very good education.
- Yes. That is my first year at school and I hope to start my university course this summer. I've got good grades and it makes my plan quite realistic.
- Yes, it looks like a good one. You seem like you plan your life very well. I can't even make my mind on what souvenirs to buy for my friends back home.
- I found a shop with some old photos of the city. I bought several pictures there as gifts for my friends. They are not expensive, and images are lovely.
- Yeah, I think they are better than heavy souvenir shirts with prints. Can you tell me where the shop is?

Пример:

Dear Ben,

Thanks for your letter, it is great to hear from you. I'm sorry I couldn't answer you earlier, I had some urgent work to do. The situation in my house is pretty much the same. Everyone is busy and often there's no one to clean up. I've grown used to this, so it does not bother me. However, I do realize this is not right. I'm most busy on Mondays and Fridays when I have to do my maths at school and at home. When I'm free, though, I vacuum the floor and sometimes tidy up the kitchen. And that is pretty much it. This weekend I'm going to ride my mountain bike. I'm out of practice. Hope you enjoy yours.

Write back soon.

Best wishes,

Sasha
